

Stella Doradus Ireland Ltd.

12-360 12dBi 2.4GHz Omni Directional Antenna

This omni-directional antenna is designed for wireless LAN communication, mounts easily for indoor or outdoor applications and is made from high quality fibreglass material.

Electrical Specification	
Gain	12Bi
Bandwidth	2.4-2.5GHz
VSWR	$\leq 1.5:1$
Polarization	vertical
Power Rating	50W
Elevation Beamwidth	8 degrees
Impedance	50 ohms
Termination	Fixed N- female
Mechanical Specifications	
Length	1500mm
Weight	g
Radome	Fibreglass
